

## IBM Lotus Certification Train and Certify D8730: Exploring New Features in IBM® Lotus® Domino® 8.5 Administration

Dear Course Attendee,

Thank you for attending this course. Your commitment to expanding your knowledge and expertise with IBM technology is an asset to you, your company and your customers.

This course is part of the **IBM Lotus Train and Certify Promotion**, whose details are accessible via url: [http://www.ibm.com/certify/news/lt\\_20090831a.shtml](http://www.ibm.com/certify/news/lt_20090831a.shtml)

Per the **IBM Lotus Train and Certify Promotion**, we now invite you to take the corresponding certification test at a **50% discount**. This test is valued at \$200 USD in developed countries and \$100 USD in emerging market countries.

### Test 956 IBM Lotus Notes Domino 8.5 System Administration Update

Before registering for the test, we recommend that you prepare for it by referring to the following information, accessible by test number and certification title via the **Professional Certification Program from IBM** Web site [http://www.ibm.com/certify/tests/test\\_index.shtml](http://www.ibm.com/certify/tests/test_index.shtml)

- **job role description/target audience** to which the test is built
- **recommended prerequisite skills** or knowledge and skills needed before starting to prepare
- **test objectives** or detailed skills measured on the test
- **test preparation / training resources** used to prepare based on the test objectives

To register for the test, please refer to [www.prometric.com/IBM](http://www.prometric.com/IBM) and, when prompted, enter the following promotional code for 50% discount off the regular test fee. Please note that the promotional code is not transferable and must be used prior to the expiration date, which is 6 months after the completion of the course. It is recommended that you register early to secure your preferred testing session.
